
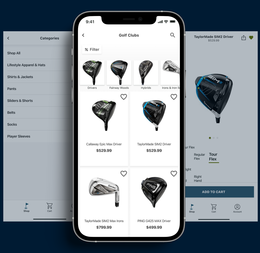
GOLF GALAXY

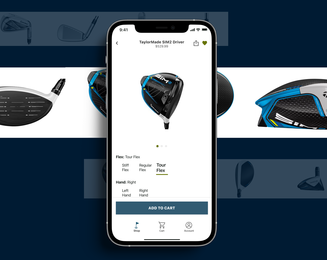
2.0 Update

Jul 2021



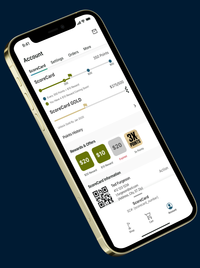
NO MORE WAITING

Thanks to the all-native implementations, the app is now much more responsive and quick to load between experiences.
Hello smooth transitions!



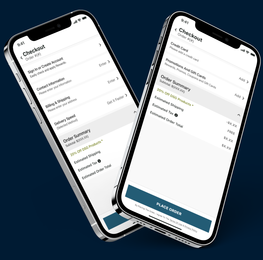
PRODUCT-FIRST DISPLAYS

A product-driven PDP with no frills leaves the athlete consumed by the product and the product only.



ACCOUNT AT YOUR FINGERTIPS

Athletes can easily access everything regarding their account with a single tap into the Account Tab.



TWO-STEP CHECKOUT

Did someone say streamlined checkout?
We have made checkout as short as possible. ScoreCard Athletes benefit from their information being automatically retrieved.

FULL ECOMMERCE INTEGRATION

Thanks to all of our Technology teams, over 90% of the service calls inside our apps are homegrown!
